Dear Anthony,

Thank you for applying for the AWS Educate program. Unfortunately, after careful review, your application was not approved for the following reason(s):

- Please create a case at https://console.aws.amazon.com/support and attach a copy of the front and back of your school ID for review. If you do not have access to the console, please email it to aws-cs-educate-form@amazon.com

If you have any questions or feel we have come to this decision in error, please click here to contact AWS Educate support.

Best,

The AWS Educate Team
